EUGENIO DI RIENZO, «Lo Stato non è spirito assoluto». Ancora sul Patto Molotov-Ribbentrop e sui *Peace Feelers* nazi-sovietici durante il secondo conflitto mondiale

Further expanding an analysis previously made by the same author, this essay addresses the analysis of the Molotov-Ribbentrop Pact in a global perspective and adds new evidence on the factors that influenced Mussolini's and Japanese Government's decision to promote the Nazi-Soviet Peace Feelers during the World War II.
