FRANCESCA PUCCI DONATI, I Genovesi a Tana (fine XIII-inizi XV secolo)

*The work concerns both the Venetian notarial documentation written in Tana and the Genoese one drawn up in Caffa and partly in Genova. It deals with the presence of Genoese merchants in Tana and their settlement, between the end of the 13<sup>th</sup> and the first half of the 15<sup>th</sup> century. Document analysis gives a picture of a livelier community than expected as regards its administrative organisation and, especially, its trading activity.*
